

MAKE A DIFFERENCE AS A

Direct Support Professional

AT ARC OF ACADIANA.

FOR THE ROAD RUNNERS

Daytime In-Home Direct Support Professional

Do you enjoy the rush of the road, working one-on-one with others, and getting to change your scenery throughout the day? Our Daytime In-Home DSP positions offer the upbeat work style you might be searching for. In this role, your daily schedule will keep you moving from home to home as you pay all your favorite clients a visit to check their progress and assist with tasks.

Job Duties

- Assisting clients with daily needs such as eating, grocery shopping, dressing and possibly bathing.
- Teaching clients functional daily living, working and social skills such as money management, personal hygiene and maintaining a clean home.
- Completing data sheets to show daily progress and support provided.
- May require accompanying clients to community events or doctor appointments.
- Assisting clients with administering medication.
- Training clients and communicating effectively.
- Bending, stooping, carrying and lifting light to moderate items to help clients.
- Showing a commitment to excellent client care.
- Showing compassion, a positive attitude, and being a team player.
- Being a positive role model for all clients.
- Helping our clients to live in a safe, healthy and clean environment.

ABOUT ARC OF ACADIANA

We are a fun-loving and dedicated team that strives to provide excellent care to people with intellectual and developmental disabilities. Located in Acadiana and Northwest Louisiana, our facilities offer a relaxed and nurturing environment for both the clients we serve and our staff. From great employee benefits to making connections with new people, Arc provides rewarding life and work experiences for everyone who walks through our doors. As a result, many staff members choose to make a long-term career here.

When it comes to being a part of our team, we look for people who are passionate about helping others. If you're searching for a place to grow your career and make a difference, Arc might be the perfect fit!
